

In its sixth edition, about 350 photographs have competed

## OHL announces the winners of the FOCUS employee photography contest

18 / 11 / 2020. OHL, through its Communication and Image Management, has announced the winners of the FOCUS photography contest. For the sixth consecutive year, the company has promoted this initiative among its employees in order to give visibility, through images, to projects in the different markets in which the company operates.

Six photographs have been selected as winners among the almost 350 presented by over 90 participants of eleven countries – Saudi Arabia, Chile, Colombia, USA, Spain, Ireland, Kuwait, Mexico, Norway, Peru and Czech Republic-.

Ongoing and completed works, innovating projects, corporate social responsibility, quality and environment, occupational risk prevention, social action and volunteer work, are some of the themes reflected by the applications received.

OHL would like to express its gratitude to those who have participated in this initiative and congratulate the winners.
